STEWARDSHIP

"Then he asked them, "Why are you terrified? Do you not yet have faith?"

Mark 4:40

The thought of stewardship terrifies some of us. We may feel that we cannot afford to give God a grateful spare or to give the first fruits rather than the leftovers. It takes great faith and trust to believe that, just as He calmed the storm and quieted the waves, Our God will always provide us with all that we need, even when we give Him first, before other bills are paid extras are purchased.

From the Pastor's Desk

HEART OF JESUS, KING AND CENTER OF ALL HEARTS, PRAY FOR US!

One of the adjustments that I have to make as Pastor is not seeing a number of Parishioners during the summer. As I grow and experience so many of the parishioners I look forward to seeing them on Sunday. That is one of the reasons the Church asks us to go to Church on Sunday - to build the community. It has been my experience that during the summer months a number of people are gone. Please don't think I am complaining or accusing - but I do miss the Parishioners when you are gone. Your presence makes a difference. I am most happy to see you whenever you come even though I may not know your name, I know the face.

As the "Christ Renewes" retreat develops, know that anything that leads you to God and God's love is what we are trying to do. That's why I am behind the "Christ Renewes", the Liturgy of Hours, Perpetual Help Devotions, Tuesday evening Mass, the Men's White House Retreat and anything else that brings the People of God closer to God's Love.

A friend of the parish (who wishes to remain anonymous) approached me the other day offering help to any teenager who would like to go on the youth retreat that has been presented in our bulletin and sponsored by the Archdiocese. This friend has also made the offer to the men of the Parish and the Little Flower White House Retreat. Please check with the pastor if you are interested in these retreats and this generous offer.

Let the Summer Times Roll!

Fr. H.

WEEKLY REFLECTION

Reflect on what it means for you to know that Jesus died for your salvation. He did not ask that you promise anything. He did not consider your faults and failures. He simply loved you as you are and gave his life for you. Now consider how you treat others. Does this awareness of how much Jesus accepted and loved you influence how you respond to others? Should it? What can you do to treat others more like Jesus has treated you?

Give thanks to the Lord, his love is everything.

-Psalm 107:1

MONTHLY GIVING

Midtown Catholic Community Services is the parish charity for the month of June. Midtown is a part of Catholic Charities, and offers many services to the people living between Barnes Hospital and Tower Grove Park, Grand Avenue and Kingshighway. Programs include employment training, lead poisoning testing, substance abuse counseling, education for children suffering from asthma, and a wide variety of after school programs. One of Midtown's most important activities is its summer camp for children. This camp runs 5 days a week for eight weeks and helps 90 children have a safe and productive summer. For the past three years, Little Flower parishioners have generously donated to the summer camp, thus keeping it open, despite serious cutbacks in funding. Please help Midtown this summer by giving shorts and shirts (sizes 7-20), children's socks, or athletic shoes (sizes 2-8). As always, your donations will be greatly appreciated. If you have questions or need additional information, please contact Tony McDonald (645-3922).
