NOTES FROM FATHER EVERDING

FAREWELL

Today we say farewell to Sr. Rose. She has been a big part of this parish for many years and she will be missed. I am especially grateful for the great work Sister Rose has done in creating the wonderful harmony between the Parish School of Religion and the full time school. The cooperation between these two programs is the envy of the archdiocese. Our prayers and best wishes go with her.

As we celebrate the feast of Corpus Christi, we are celebrating that God is with us. We are also celebrating the fact that we are the Body of Christ. The first fact is a great consolation. The second is a great challenge. It's one thing to worship in adoration while in church. It's quite another to live in an awareness of the fact that we are in God and called to live as one family.

The Liturgy Committee would like to place a rose in the vase in front of the Perpetual Help statue for each woman in our parish expecting a new life. If you are anticipating an addition to your Family, please call Bernadine at 487-4968 so a rose can be prepared for you and that you will be remember in prayer.
