from the Pastors Pen

Upon reflecting over last week's graduation commencement at Sacred Heart Church, I was reminded of Thomas Merton's reflection that regarding the spiritual life, the more one progresses, the more one realizes that they are only a beginner.

These next few months will be full of new beginnings for many of our young people. Recent graduates will begin college. Many will move away from home for the first time. There are a fair number of weddings scheduled at both Sacred Heart and St. Patrick Church. Important chapters of many people's lives will come to an end while new chapters begin.

The Easter Season has come to an end, and Ordinary time has begun. It is important to celebrate the ordinary during times of new beginnings and change. It is important to be mindful of the ordinary loving people who are part of our everyday lives. These people make all the many changes that come our way bearable.

It is important to be mindful of our loving God who desires to be a part of our ordinary lives in ordinary ways. All of us take God for granted at times. Perhaps these periods of change and new beginnings would be a good time to reacquaint ourselves with God.

The older I get, the more I realize how much I need God in my life. This is always a good change. Anytime is always a good time to begin anew with God. This is why we are always beginners before God. Our constant need for reconciliation and forgiveness calls us to start over again and again.

As we embrace the new challenges and changes of the coming months, let us invite God to become part of those changes. And even if there is not a great deal of change ahead, let us invite God into the very ordinary aspects of our lives. For many of us, that itself would be a very significant change and a new beginning.

PICNIC

Come join the fun at the combined parishes' picnic on Sunday, June 9th, at the West Campground Pavilion of the Missouri State Fairgrounds. The day will start with an outdoor Mass at **11:30 a.m.** There will be **No 11:30 Mass at Sacred Heart.** Meat and drinks will be provided. Parishioners whose last name begins with A through M are asked to bring a covered dish with enough to feed your family plus four others. If your last name begins with N through Z, please bring a dessert. You are also asked to bring your own place service. After dinner, stay and enjoy the fun and fellowship with games, contest, (e.g. staking Oreo cookies!) prizes, or just relax and enjoy the day.

The "Moonwalk" will be there for the kids. Feel free to bring your gloves, bats, and balls for a pickup game. We will also have a radar gun to see how much smoke is on that fastball or that soccer kick. It'll be a great day, but it won't be the same without **YOU!**

If you know of any parishioner, young or old, who will need a ride, please call the offices at 827-2311 (Sacred Heart) or 826-2062 (St. Patrick).

DIRECTIONS: Take 16th St. to Thompson Blvd. Turn south and go past the first "S" curve. The Campground entrance is on the West (right) side of the road. If you get to the sharp turn to the left past the Swine Barn, *you've gone too far.* We will have signs posted.

Important Things Learned From Children:

1. It's more fun to color outside the lines
2. If you're gonna draw on the wall, do it behind the couch.
3. Ask "why" until you understand.
4. Hang on tight.
5. Make up the rules as you go along.
6. It doesn't matter who started it.
7. If the horse you're drawing looks more like a dog, make it a dog.
8. Sometimes you have to take the test before you've finished studying.
9. If you want a kitten, start out asking for a horse.
10. Just keep banging until someone opens the door.
11. Making your bed is a waste of time.
12. There is no good reason why clothes have to match.
13. Even Popeye didn't eat his spinach until he absolutely had to.
14. You can't ask to start over just because you're losing the game.
